Re: U.S. v. Leevander Wade, Crim. No. 18-703

Dear Judge Vazquez:

As the Court directed, the Government writes to address its position on defendant's request for a laptop computer at the Monmouth County Correctional Facility (Dkt. No. 129, filed May 25, 2021). The Government takes no position on the defendant's motion.

The Government does note that the information provided to the Court by the United States Marshal's Service may be useful to the Court in determining the motion. I am forwarding a copy to counsel of that communication under separate email.

The Government is available should the Court require additional information.

Very truly yours,

RACHAEL A. HONIG
Acting United States Attorney
